Aims & Scope

The Journal of Underrepresented and Minority Progress (JUMP) is an interdisciplinary, peer-reviewed, international, open-access journal published by STAR Scholars Publications.

JUMP seeks to advance knowledge of minority and underrepresented people in local, regional, and international settings by publishing narratives, theoretical and empirically based research articles, and reflections. JUMP is indexed in major databases.

The Journal is international in scope and includes work by scholars in a wide range of academic fields and disciplines. Contributions from researchers and professionals in fields like sociology, psychology, higher education, philosophy, education, and cultural studies are welcome in the Journal.

The Journal's audience includes scholars and researchers in social sciences who work on the issues of ethnicity and race, caste and class, religion and spirituality, gender and sexual orientation, power and privilege, wealth and income, health and well-being, beliefs and value systems, and the intersections of these issues.

JUMP publishes fully open access journals, which means that all articles are available on the internet to all users immediately upon publication. Non-commercial use and distribution in any medium is permitted, provided the author and the journal are properly credited. All articles published by JUMP are licensed under a [Creative Commons Attribution-NonCommercial-NoDerivs 3.0 Unported License](https://creativecommons.org/licenses/by-nc-nd/3.0/).

OJED

OPEN JOURNALS IN EDUCATION

High-quality, peer-reviewed academic journals based at leading universities worldwide.

Open Journals in Education (OJED) publishes high quality peer reviewed, openaccess journals based at research universities. OJED uses the Open Journal System (OJS) platform, where readers can browse by subject, drill down to journal level to find the aims, scope, and editorial board for each individual title, as well as search back issues. None of the OJED journals charge fees to individual authors thanks to the generous support of our [institutional sponsors](#).

OJED journals are required to be indexed in major academic databases to ensure quality and maximize article discoverability and citation. Journals follow best practices on publication ethics outlined in the [COPE Code of Conduct](#). Journals work to ensure timely decisions after initial submission, as well as prompt publication online if a manuscript is accepted for publication. OJED journals benefit from the editorial, production, and marketing expertise of our team of volunteers. Explore our OJED Journals at www.ojed.org
